## **Introduction / Background**

The Liberia Electricity Corporation (LEC) was created by an Act of Legislature approved in 1973. The objective of the Liberia Electricity Corporation is to act for and on behalf of the Government of the Republic Liberia by engaging in the development, generation and transmission of electrical energy, the manufacture, construction and installation of electrical equipment and devices related thereto, and the distribution and sale of said electrical energy and related equipment and devices, to cities, towns, and the public in general for heating, lighting, and power purposes and for the carrying on of all business incidental thereto.

Additionally, to establish and maintain electrical power stations, offices and/or Agencies within and everywhere inside Liberia and to exercise any or all of its corporate powers and rights in Liberia and in any other foreign country or countries.

The procurement for goods, works, and services are paramount to a successful implementation of its mandate. The procurement processes should be conducted in accordance with provisions of the Public Procurement Concession and Commission (PPCC) Act of 2005 as amended and restated in 2010.

## **Compliance Audit Report**

A compliance audit of the Liberia Electricity Corporation for the procurement of goods, works and services for the fiscal period ended June 30, 2011, was conducted in accordance with the provision of the General Auditing Commission Act of 2014 which mandates the Auditor General to conduct compliance audit in line with ISSA 4000/4100, 4200 INTOSAI's International Standards for compliance Audit. These standards require that we comply with ethical requirements, as well as plan and perform the audit to obtain reasonable assurance that all aspects of procurement related activities undertaken by LEC were in accordance with relevant laws and regulations.

## **The role and responsibilities of responsible party and the Auditor**

### **Responsible party**

The Management and implementation of the budget in terms of procurement of goods, works and services in compliance with the Public Procurement and Concessions (PPC) Act of 2005 as amended and restated in 2010 are the responsibilities of the Management of LEC.

### **Auditor**

To express a conclusion on whether the Management of the Liberia Electricity Corporation procurement of goods, work and services are in compliance with the PPC Act of 2005 as amended and restated in 2010. The audit was conducted in accordance with ISSA 4000/4100, 4200 INTOSAI's International Standards for compliance Audit. These standards require that we comply with ethical requirements, as well as plan and perform the audit to obtain reasonable assurance that all aspects of procurement related activities undertaken by the Management of LEC were in accordance with relevant laws and regulations.

## **Subject Matter**

**The subject matter of the compliance audit involves one focus:**

### **Procurement of Goods, Works and Services**

The procurement of goods, works and services such as equipment, vehicle, technical consultancy, Agro fuel and lubricant as well as installations of electrical appliances were inclusive.

During the period under audit the amount of US\$ 10,427,263.78 was disbursed for the procurement of goods, works and services.

### **Audit Objective and Scope**

The objective of the audit is to determine whether the procurement of goods, works and services were conducted in adherence to the laws governing such procurement. The audit was conducted with the objective of expressing a conclusion on the procurement process leading to the awarding of contracts and payments as well as compliance with applicable laws and regulations.

The scope of the audit covers projects and developmental programs financed in the fiscal period July 1, 2010 to June 30, 2011.

### **Audit Criteria**

The following criteria were used:

- Section 40 (1 - 5) of the Public Procurement and Concession (PPC) Act of 2005 as amended and restated in 2010
- Section 26 (1) of the PPC Act of 2005 as amended and restated in 2010
- Section 48 (1) of the PPC Act of 2005 as amended and restated in 2010
- Section 54(1-4) of the PPC Act of 2005 as amended and restated in 2010
- Section 29 (5J to K) of the PPC Act of 2005 as amended and restated in 2010

### **Methodology**

The audit team obtained 80% of total cost of the procurement of goods, works and services after which we confirmed whether they were in compliance with the PPC Act of 2005 as amended and restated in 2010.

The audit was conducted in accordance with the International Standards of Supreme Audit Institutions (ISSAIs) 4000/4100, 4200 INTOSAI's International Standards for compliance audit. These standards require that we plan and perform the audit to obtain reasonable assurance that the records on the transactions of procurement of goods, works and services are free of material misstatements.

The audit criteria were applied to the procurement sample selected. The findings were documented and given to Management for comments. On the basis of the findings, the conclusion was made on whether the LEC Management complied with the various provisions of the PPC Act of 2005 as amended and restated in 2010.

## **1 DETAILED FINDINGS AND RECOMMENDATIONS**

### **1.1 Procurement Plan**

1.1.1 Section 40 (1 - 2) of the Public Procurement and Concession(PPC) Act of 2005 as amended and restated in 2010 requires all procuring entities to undertake procurement planning, with a view to achieving maximum value for public expenditure and the other objects of this Act. For each fiscal period, each entity should prepare a draft annual procurement plan for goods, works and services for use by the procuring entity in the procuring entity's budgeting process. Upon budget approval, the procurement Unit shall prepare an annual procurement plan for goods, works, and services in accordance with the procuring Entity's approved programs and budget and furnish it to the Procurement Committee.

1.1.2 During the course of the audit, the LEC Management conducted procurement activities without an approved procurement plan by the PPCC which should have served as the instrument to guide the procurement of goods, services and works for the period 2010/2011.

### **1.2 Procurement Committee**

1.2.1 Section 26 (1) of the PPC Act of 2005 as amended and restated in 2010 requires that every procuring entity to establish a Procurement Committee to which this Act applies.

1.2.2 During the conduct of the audit, there was no evidence that the LEC Management did establish a procurement committee as required by the PPC Act of 2005 as amended and restated in 2010 to have adequate oversight on procurement related activities.

### **1.3 Database and Profile of Suppliers, Consultants and Contractors**

1.3.1 Section 29 (5 j to K) of the PPC Act of 2005 as amended and restated in 2010 requires the procurement unit to maintain a database of all supplies, contractors and consultants as well as the maintenance of a profile of the past performance of suppliers, contractors and consultants with respect to their performance of contracts awarded under the PPC Act.

1.3.2 There was no database on suppliers, consultants as well as the maintenance of a profile of the past performance of suppliers, contractors and consultants was done by the Management of LEC as stipulated in the PPC Act of 2005 as amended and restated in 2010.

### **1.4 National Open Competitive Bidding (NCB)-Goods**

1.4.1 Section 48 (1) of the PPC Act of 2005 as amended and restated in 2010 requires that procurement proceedings in which the procuring entity decides that only domestic suppliers or contractors are likely to be interested in submitting bids, the procuring entity shall employ national open competitive bidding procedures for procurements in which the estimated contract price of the procurement does not exceed the ceiling

Threshold applicable to national open competitive bidding. Additionally Section 40(4) of the PPC Act also requires that procuring entity shall not divide a procurement order into parts or lower the estimated contract price of a procurement order to avoid the application of the procedures for public procurement prescribed in the Act. Such Actions if carried out shall constitute contravention of the Act.

- 1.4.2 The LEC Management expended the amount of US\$ 9,930,989.14 for the procurement of various goods without adherence to the provision of National Open Competitive Bidding Process as required by the PPC Act of 2005 as amended and restated in 2010. **See table 1 below for detail.**
