AUDITOR GENERAL'S REPORT

June 24, 2025

Hon. J. Alexander Nuetah, PHD
Minister
Ministry of Agriculture
EJS Ministerial Complex, Congo Town
Montserrado County, Liberia

Auditor General's Report on the Financial Statements Audit of the Tree Crop Extension Project (TCEP 1), 2000000632 For the Financial Year January 1, 2024 to December 31, 2024.

Opinion

We have audited the accompanying financial statements of the Tree Crop Extension Project (TCEP 1): IFAD Loan: 2000000632, 2000008091 Grants 2000001473, 2000003090, 2000003561/3859 for the period January 1 to December 31, 2024 which comprise the Statements of Receipts and Payments, Statement of Comparison of Budget and Actual Amounts and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the Statement of Receipts and Payments as at December 31, 2024, the Statement of Comparison of Budget and Actual Amounts and a summary of other accounting policies and other explanatory notes for the period then ended in accordance with International Public Sector Accounting Standards (IPSAS 2017) Cash Basis of Accounting.

Basis for opinion

We conducted our audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Tree Crop Extension (TCEP) Project Implementing Unit (PIU) of the Ministry of Agriculture (MOA) in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Public Sector Accounting Standards (IPSAS 2017) Cash Basis of Accounting and for such internal control as Management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing its ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so. The TCEP I Project Management is responsible for overseeing the Project's financial reporting process.

Auditor's Responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement of Receipts and Payments. The procedures selected depends on the auditor's judgment, including the assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the Statement of Receipts and Payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the Statement of Receipts and Payments.

BACKGROUND INFORMATION ON THE PROJECT

The total cost of the TCEP is USD 30.73 million financed from an IFAD highly concessional loan of USD 13.0million, Adaptation for Smallholder Agriculture Program (ASAP) Grant USD 4.50million, contributions (in-Kind) from a Private Sector Exporter (USD 0.96 million), Beneficiaries (USD 1.35 million), the GoL (USD 1.86 million) and a Financing Gap of US\$9.06 million which is expected to be financed from phase II of IFAD financing. The TCEP financing agreement was signed on February 22, 2016; the original financing agreement was ratified by the Government of Liberia and became effective in June 2017. On November 21, 2019 the Financing agreement was amended to include the US\$9.06million (73% loan and 27% grant) Gap financing and became ratified on September 10, 2020. On November 11, 2020 the second amendment was made to the financing agreement to include the Rural Poor Stimulus Facility (RPSF) grant of US\$1.086million to improve the rural livelihood in the context of the COVID-19 crisis by ensuring timely access to inputs, Information, markets and liquidity.

The project consists of four (4) components, namely:

Component 1: Revitalization of Cocoa Plantation - This component is aimed at increasing quantity and quality of cocoa sold and higher price received by smallholders. Under this component the project will rehabilitate 8,000 ha of cocoa plantation following value chain model; establish and operate a seed station to guaranteed availability of improved planting materials to farmers, village nurseries and privately owned nurseries; mobilize and organize 320 kuu groups of 25 persons and FFS to reach 8,000 farmers; establish 320 village nurseries and supply improved hybrid seeds/seedlings, equipment, tools and solar dryers to smallholder farmers; train 8,000 farmers in crop husbandry techniques, disease control, harvesting, post-harvesting handling, grafting and identification of suitable cocoa germplasm using the FFS approach.

Component 2: Rehabilitation and Maintenance of Existing Farm-to-Market Roads - This Component is aimed at improving access to markets and reduced transportation costs. Under this component the project will rehabilitate 200 km of existing farm-to-market roads and establish a viable road maintenance program.

Component 3: Capacity Building for Service Provision - This component is aimed at improving service provision to cocoa farmers for Value Chain Development. Under this component the project will strengthen/build institutional capacity of farmers' cooperatives, LACRA, CDA, CARI and MOA at county and district levels; support CAC and DAOs to carry out their activities; construct and/or refurbish offices and ware houses of cooperatives; and provide working capital on basis of business plan.

Component 4: Project Management and Coordination - This Component is aimed at ensuring an effective and efficient strategic and operational planning, implementation, monitoring and evaluation as well as knowledge management. Under this component the project will recruit a total of 26 professional and support staff to form the Project Implementation Unit (PIU); ensure effective administrative, financial and technical planning and implementation of the project including audit and reporting; ensure an efficient coordination amongst the components of the project and between partners within and outside MOA; conduct Baseline Survey, Midterm Review and End line Survey; and technical and financial progress reporting (monthly, quarterly, annually, etc.).

PROJECT OBJECTIVE

The TCEP specific objectives are: (i) increased quantity and quality of cocoa sold and higher price received by smallholders, (ii) improved access to markets and reduced transportation costs; and (iii) improved service provision to cocoa farmers for value chain development. This objective aim is to: (a) strengthening the capacity of farmers' cooperatives at district level; (b) strengthening the capacity of the Ministry of Agriculture (MOA) and Cooperative Development Agency (CDA) at decentralized level; (c) ensuring that climate change adaptation is mainstreamed in the technical support systems for value chain development, and; (d) monitoring of deforestation in the tree crop sector. The objective of the RPSF is to improve food crops production and nutritional status of farming households in Nimba and Lofa Counties.

SUMMARY OF PERFORMANCE

Component A1-1: Revitalization of Cocoa Plantations	
Activity	Task Carried Out
1-1 A1.1	153 FFS groups organized and awareness provided kuu Groups for the establishment and replacement established village nurseries and cocoa farms with seedlings mortality.
1-1 A1.2	153 village nurseries established across the eight TCEP operational district in Nimba County as part of the project seedlings mortality replacement program
1-1 A2.1	Conducted Joint Quality Assurance Visit along with MOA to FFS Kuu groups
Activity 1-1 A3: Extension and Farmer Field School (ASAP)	Conduct FFS TOT for 176 Lead farmers. Print training materials for FFS facilitator training manual, Posters Sheets and curriculum for 176 lead farmers. Provide Incentive for lead farmers facilitating FFS classes at the community level.
1-1 A3.9	Conduct training for Spraying and Pruning Gangs Lead Farmers
1-1 C3.2	Provide Nails for building solar driers
1-1 C3.2	Procured 1,600,000 hybrid cocoa seeds for the establishment of 153 village nurseries to replace seedling mortality both at field and nurseries (cocoa hybrid seed @ 25 seeds/pod 64,000 pods), plus 10% for mortality 1,600,000 hybrid cocoa seeds for 4,061 farmers. Procured 1,600,000 polythene bags for the establishment of 153 village nurseries to replace seedling mortality both at field and nurseries.

Environmental and Social Safeguard Activities	Conduct Environmental monitoring and follow up, conduct social economic impact assessment along road corridors in batch-1&2 and collect baseline for batch-3 of selected roads to determine the number of direct and indirect beneficiaries benefitting from the rehabilitation of roads while exploring the use of M&E and GIS databases,
GIS Activity Plan for TCEP	Hold Community engagement meetings to identify restricted areas around TCEP beneficiary communities and create awareness
Deforestation Monitoring	Hold Community engagement meetings to identify restricted areas around TCEP beneficiary communities and create awareness, conduct a follow-up visit to areas where changes are identified during monitoring to establish cause for mitigation action, trained and establish county, district and community level forest monitoring tasks team, Procured 17-inch laptop computer for of deforestation monitoring,
Support to Nimba PIU	Payment of monthly salaries and allowances to central and field level staff including NASSCORP.
Component A1-2 (Establishment of seed station)	
Activity A1: Planting Materials - Procurement	Purchased one mobile soil tester and its one-year license: capacity of 500 samples a year, procured 500 bags of organic fertilizer: Fertiplus (65% organic matter), Purchased (10,000) polythene bags 8 X12, purchased of 10,000 cocoa seed for rootstock development, purchased of pollination materials: forcept, net, cup, purchased three desk-tops for office used by technicians including one laptop computer, procured insecticide, pesticide, fungicide, rain coats, rain boots, budding materials, and assorted budding materials (budding tape, tag, tissues, alcohol, disinfectant) etc) for the maintenance of the seed garden, Consultancy Support to National Cocoa Seeds Garden on Cocoa Pollination (Regional Consultant), procured furniture for old office building, procured one AG Yamaha 100 heavy duty moto bike for the seed garden, hiring of five watering gangs and 10 budding gangs, provide monthly stipend for casual laborers (seed garden), provide fuel for generator and tractor,
Activity C. Salaries & Related Cost.	Provide Salaries for Cocoa breeder (Supervisor), Head of the Seed Garden (Agronomist), Field Technicians, Salaries for Driver and Tractor operator, incentives for Security Guard and other operation support.
Support to Cocoa Liaison Office for coordination with NC3P	Provide capacity support for the NC3P: Equipment & Furniture: Lap Tops (2Pcs), Projector, Printer, and Desk & Chairs, hold cocoa stakeholder meeting with public cocoa actors entities of government (NC3P, LCRA, CDA, MOA, MIA, NIC, MFD, MC, CARI), hold cocoa stakeholder meeting with private cocoa actors entities of Liberia, conduct cocoa field mission assessment with producers entities and cooperatives,
Component B 2-1: Rehabilitation and maintenance of roads	Payment to two (2) road Maintenance gangs' supervisors, monitor the rehabilitation of 77.754 km (batch 2) and 3.442 km (batch 1) of farm to market road from batch (Commitment), monitor rehabilitation of 72.851 km of farm to market road from batch 3,

	reconstruction of collapsed bridge on Lot 7
Activity B: Institutional Capacity building and oversight	Procured maintenance tools for 82Km in batch 1&2, provide fuel for road meantime supervisors, trained 108 road maintenance Gangs members, Payment to road gangs (108 Members) for 12 months and 58 road gangs for 9 months, Payment of DSA to MPW representative (CRE/Director of feeder roads) for three cycles/year for 10 months and remittance of DSA to MPW 's PMT for joint quarterly inspection, review of routine maintenance works, performance coaching with related county staff (two staff from PMT, two staff from county administration, development superintendent, development engineer, PIU Engineers and the two road maintenance supervisors. Procured one Toyota Land Cruiser jeep for supervision and oversight. Provide operating and maintenance for vehicle motorbikes.
Activity E: Salaries and allowances	Provide Salaries for Civil Engineers
Component C: Service provision for value chain development	
Activity 3B- Equipment, Inputs, Construction and Bikes for Cooperatives	Procured and distribute eight (8) Motor bikes to four TCEP1 remaining cooperative in Nimba, provide eight (8) desktop (All in One) computer for 8 cooperatives, Provide fertilizer, insecticides and pesticides for eight 8 cooperatives
Activity 3C: Strategic Development Support (technical and professional skills development in good governance and financial management) and Follow-up	Conduct working session for selected cooperatives to review signed contracts and look at lesson learned, and document best practices, Conduct technical training in revolving fund and financial management; and the development of internal control and financial tracking system, Linked cooperatives with nearby RCFIs under RCFPs, Audit of the TCEP1 four (4) remaining cooperatives.
Activity 1-6C1-1- Support to LACRA	Provide Operational and maintenance support to LACRA including incentive for staffs and Bi-annual Training of four (4) quality control officers in Nimba
Activity 1-6D1-1 Support to-LNFCS	Provide Support to the Liberia National Federation of Cooperative Societies Ltd. for the establishment of data-base through the purchases of 8-ledgers (32-Columns) to catalog numbers of farmers producing grade 1 & 2 cocoa per cooperative including gender and age disaggregation. Provide Support to the Liberia National Federation of Cooperative Societies Ltd. For follow-up and monitoring of Cooperatives network including operational and other incentives. Organized stakeholders' level consultative and project coordination meetings. Facilitate stakeholders (Legislature) visit to project counties
Activity. Support to Cooperatives	Provide Regressive support operational costs of cooperatives, Provision of Performance Allowance to DAO and CAC, Provide O&M, Fuel, Insurance for CAC and DAOs Vehicles and motorbikes

Activity. Support to CDA at county level	Provide operational and maintenance support to CDA including incentive for Registrar and Assistant Registrar.
Activity M-2. Contribution Central to MoA Operating Cost	Purchase of Fuel for MOA generator, provide Vehicle Maintenance, and Incentive for Generator Operator
Component D: Project Coordination, Monitoring and Evaluation	
Activity C. Staff training	Support staff to increase capacity through Study tour and Other trainings (Staff trainings, national/international events/conferences, symposium, exchange visit etc.) and provide technical support to procurement unit.
Activity D. Implementation support	Support GAC in the conduct of project annual audit, internal audit field visit for spot check. Upgrade of Tompro to IFAD IFR version and procured multipurpose color printer and air conditioner (18000)BTU)
Activity C. Support to steering bodies	Provide support to the national project steering committees meeting
Activity F. Operational Support to TCEP/PIU at central level	Payment of employee contribution to NASSCORP and insurance including payment of salaries to central PIU staffs,
Operations & Maintenance	Provide O&M for vehicle, O&M for office, Contribution to the PMU Director office and to PMU (IT, Security and Generator)
Activity D. Operational Support to TCEP/PIU at county level	Provide Salaries for ICBO, M&E Officer, Finance/Admin Officer and Driver. Provide O&M for Vehicle and Motorbike, Provide O&M for Office
Output 43: Monitoring and Evaluation, knowledge management	
Activity 4-3 A: Knowledge Management	Support the facilitation of visibility visit to four project locations by national and local media networks highlighting success stories and project achievements. Facilitate four knowledge cafes at four educational institutions to encourage youth engagement and participation in agriculture as a business activity. Facilitate the production of annual Newsletter. Print visibility materials for TCEP 1 Project (jackets) and hired a consultant to develop TCEP Exit Strategy, including validation of reports with stakeholders
Activity 4-3 B: Monitoring and Evaluation	Conduct internal Process and post Routine project monitoring, of project activities from County level PIU to faraway project communities. Conduct validation for the selection of a qualified firm to conduct the project End Term Survey/evaluation. Conduct routine monitoring, of project activities from County level PIU to project communities. Purchased M&E software development and License (Support to M & E system). Conduct thematic Studies on project components to assess project results/impacts/economic benefit of project.

	Purchased office desk and chair for the head M&E at central level.
Activity 4-1 A 9: Support for Gender & Social Inclusion	Facilitate two-day dialogue among FFSO, TCO, M&E Officers, GISO and ICBOs/team Leaders on Targeting and ensuring quality checks of beneficiaries and services. Support the holding of a five-day retreat at a local facility to develop a roadmap and training guide for the rollout of Gender Action Learning System (GALS) in the MOA/IFAD funded projects. Facilitate GALS training for Lead farmers from all project districts; provide support for trained Lead farmers and Gender Officer to follow up on GALS Champions. Conduct workshop for women beneficiaries of the project TCEP to discuss issues of GBV and how they have impacted their inclusion; access to services and technology, training, financial services as well as their participation in decision-making; and conduct introduction to leadership and negotiation skills training. Facilitate Anti child labor and gender-based violence campaigns among selected schools in project counties; one campaign per county and hold radio talk show on gender & social inclusion in community development talk-shows on local and national radio stations. Revised the existing FFS curriculum to integrate topics on gender and GBV, Land rights, child labour, GALS, climate change and environment; validate and print addendum to the curriculum.
Support to MFDP AMCU	Conduct independent field monitoring/supervision mission /AMCU to IFAD projects sites.

This audit is for the period of twelve (12) months beginning January 1, 2024 to December 31, 2024. During this period, the project received total disbursement of US\$3,993,725.58(IFAD Loan US\$2,695,653.14, Additional Loan US\$656,699.00, Additional grant US\$ 231,320.21 and ASAP Grant US\$410,053.23 with balance brought forward from prior year of US\$ 2,115,666.78 making a total of US\$ 6,109,392.36 for implementation of planned activities. The Annual Work Plan and Budget (AWPB) for the year was projected at US\$7,474,355.71(Seven Million Four Hundred Seventy-Four Thousand Three Hundred Fifty-Five and Seventy-One Cents) out of which US\$377,603.08(Three Hundred Seventy-Seven Thousand, Six Hundred Three United States Dollars, Eight Cents projected as Government contribution for road works.

Actual expenditure incurred for the reporting period ended December 31, 2024 is US\$ 3,280,974.28 for implementation including amongst other things; procurement of vehicles, equipment, planting materials, training, international and national consultancy, Farmer Field School (FFS), support to cooperatives, other service providers, staff salary payment and operating activities. The total expenditure of US\$1,937,895.76 was expended from the IFAD Loan, US\$848,910.69 IFAD Additional loan, US\$357,670.53 from IFAD Additional Grant while the balance of US\$236,497.30 from ASAP Grant respectively.

From project inception, a total of US\$25,751,973.82 (Twenty-Five Million Seven Hundred Fifty-One Thousand Nine Hundred Seventy-Three United States Dollars 82/100) has been disbursed from the IFAD (US\$11,539,325.00 loan, US\$4,287,313.76 ASAP Grant, US\$6,441,663.07 Additional Loan, US\$2,400,000.00 DSF Grant, US\$486,635.27 RPSF Grant and US\$597,036.40 RPSF Grant 2) excluding Government contribution of US\$523,540.47

STATEMENT OF RESPONSIBILITY

The project financing agreement required the project management team to prepare the financial statements in accordance with the financial requirement of the International Fund for Agricultural Development Financing Agreement and the International Public Sector Accounting Standards (IPSAS) under the Cash Basis of Accounting. The IPSAS Cash Basis of Accounting requires that the financial statements present fairly for each year the project statement of Cash Receipt and Payment, Statement of Budget and Actual and explanatory notes.

In Preparing the financial statements management accept the responsibility for the following:

- Maintenance of proper accounting records;
- Selection of sustainable accounting policy and consistent application thereof;
- Making judgment and estimate that are reasonable and consistently applied
- Compliance with applicable standards when preparing Financial Statement; and
- Preparation of financial statement on a going concern basis unless it is inappropriate to presume that the project will continue in business in the unforeseeable future.

The management also accept responsibility for implementing and maintaining adequate internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and for taking reasonable step to safeguard the project assets.

The overall execution rate for the period is 54% less than budgeted for category. For Civil works is 39% lower variance under budgeted. This variance is due to delay in approving the 2024 Annual Work Plan and Budget, long procurement processes for road works, goods, services and inputs, consultancies and in granting No Objection to implement planned activities. In addition, the high variance percentage rate in the civil works category also account for delayed in ongoing road works contracts which were not executed as planned and also due to the rainy season.

The low execution rate in the Category for Goods, services and inputs (including equipment and materials and vehicles) is 73% which reflect the fact that payment of outstanding commitments for planting materials, farming tools, and other inputs during the year were not paid. The procurement of cocoa hybrid seeds which is another major component of this category was done last budget year; the seeds were delivered and germination test conducted and payments not made in the reporting period.

Training and workshops category is 68% against budgeted activities and also due to the following trainings (environmental, capacity building in climate change resilience, international conference and safeguard activities) budgeted and not conducted as planned.

Under Consultancies (and services) category, the 64% execution rate variance can be explained:(i) almost all of the Consultancy under gender program; including quantity study on child labor and youth inclusion, consultancy for policy brief, consultancy for climate change adaptation and mitigation, outcome survey, consultancy to establish gang plasm among others were not under taken in 2024.

Operating costs category has a higher variance of 74% due to the fact that there were some administrative measures taken in operational lines. Also responsible for the lower spent of this category is due to the warning down of project activities since the project is at closing stage. The ratio of overhead which includes operating costs is insignificant as compared to the overall investment cost for the period under review.

Auditor General's Report on the

[illegible]

**Tree Crop Extension Project
International Fund for Agriculture Development
Loan No.: 2000000632, ASAP Grant 2000001473, Add. Loan 200003091, DSF Grant 200003090
and RPSF Grants 200003561/383859**

Notes to the Financial Statements

1. Financial Reporting Under the International Public Sector Accounting Standards (IPSAS)

In accordance with International Public Sector Accounting Standards (IPSAS), note to the financial statement of an entity should:

- Present any information about the basis of preparation of the financial statements and the specific accounting policies selected and applied for the significant transaction and other events, and
- Provide additional information which is not presented on the face of the financial statements but necessary for a fair presentation of the entity's cash receipts, cash payment, cash balance and other statements as statement of financial position.

2. Accounting policies

The financial statements are being prepared in accordance with International Public Sector Accounting Standards (IPSAS)-Cash basis 2017 edition and in the manner required by project financing agreement as required by the guidelines in the project financial management procedure manual.

a. Basis of Presentation

IPSAS-Cash basis recognizes revenue only when cash is received why expenditures are recognized when payment are made.

b. Foreign Currency

The financial statements are prepared on historical cost convention and are also presented in United States Dollars.

c. Fixed Assets

Fixed assets represent acquisition of property and equipment. These assets recorded at historical and expensed on acquisition. A comprehensive register is maintained to account for and monitor the existence of such asset whilst in continue used and no depreciation is charged.

d. Income

Funding from IFAD loan is recognised in the programme's income statement when disbursement is made to the Project accounts or to vendor's accounts upon project request.

3. Budget

The budget is developed on the modify cash basis, but same classification and for the same period of the financial statements. Material Variance is explained as note to the financial statements.

16. Full Disclosure

This Financial report was authorized on the 25th day of February 2025.

To date, CARI has not instituted proper internal Control as mentioned in previous audit recommendations but have refunded US\$16,490.23 of the ineligible amount of US\$17,082.94 (including the US\$8,900 stolen from project account). However, the PIU will ensure proper internal control measures are put into place to safeguard future disbursements of funds to lift the ban on disbursement to CARI.

We like to note that Contracts awarded to FAH for the construction of Cooperative warehouses in Karnwee and Blueley on July 20, 2020 was terminated and awarded it to General Engineering Company through a competitive process. To date, both contracts are 100% completed and waiting retention.

To note is a pending litigation between Ministry of Agriculture (MOA) and the Wuo M. Queeglay, Administrator of the Intestate Estate of the David Wonle Queeglay of the City of Saclepea regarding the claim of ownership of 75 Acres of Land situated in Beeplay, Nimba County on which the IFAD-TCEP is implementing the Seed Garden Project.

The Civil works and Salaries & allowances category of the project was depleted due to (i) designed assumption that some project staff salaries will be shared amongst project which was not the case(ii) No cost extension of the project for a year, (III)civil works unit cost at designed was grossly lower than actual cost. The project was granted and cost of key staff for certain period be shared amongst the TCEP and TCEP II, meaning the cost of salary payment charge to the TCEP was revised and charged to TCEP II to reconciled the huge over spending in the salaries and allowances category.

Also is important to note that the implementation is expected to be completed on or before June 30, 2025 with closure on December 31, 2025.

Government of Liberia In-Kind Contributions consist duty free and tax exemption granted on procurement and 10% computed on all payment for civil works, while office space rental is based on historical cost of past rental paid on office building.
