AUDITOR GENERAL'S REPORT

June 25, 2026

Hon. Roland Layfette Giddings

Minister

Ministry of Public Works

South Lynch Street

Monrovia, Liberia

AUDITOR GENERAL'S REPORT ON THE FINANCIAL STATEMENTS AUDIT OF THE MANO RIVER UNION ROAD DEVELOPMENT AND TRANSPORT FACILITY PROGRAMME (MRU/RDTFP-II) PROJECT FOR THE YEAR ENDED DECEMBER 31, 2025.

Opinion

We have audited the accompanying financial statements of the Mano River Union Road Development and Transport Facility Programme (MRU/RDTFP-II) Project for the year ended December 31, 2025, which comprises the Statement of Receipts and Payments, Statement of Fund Balance and Cash Status, Statement of Comparison of Budget and Actual Amounts, Statement of Financial Position and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the Statement of Receipts and Payments as of December 31, 2025, the Statement of Comparison of Budget and Actual Amounts, and a summary of other accounting policies and other explanatory notes for the year ended in accordance with International Public Sector Accounting Standards (IPSAS) Cash Basis of Accounting.

Basis for Opinion

We conducted our audit in accordance with the International Standards of Supreme Audit Institutions (ISSAIs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the MRU II Management in accordance with the Code of Ethics for Supreme Audit Institutions together with the ethical requirements that are relevant to our audit of the financial statements in accordance with the Project Implementation Manual (PIM) and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSAS Cash Basis, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing its ability to continue as a going concern, disclosing, as applicable, matters related to going concerned and using the going concern basis of accounting unless management either intends to cease operations or has no realistic alternative but to do so. The Project Financial Management Unit (PFMU) is responsible for overseeing the Project's financial reporting process.

Auditor's Responsibility

Our responsibilities are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Monrovia, Liberia
June 2026

P. Garswa Jackson Sr., FCCA, CFIP, CFC
Auditor General, R.L.

Statement of Project Management Responsibility

The Project Financial Management Unit (PFMU) of the Ministry of Finance and Development Planning and the Project Coordinator for AfDB – Mano River Union Road Development and Transport Facility Programme-Phase II project are responsible for the preparation and presentation of the Project's financial statements, which give a true and fair view of the state of affairs of the Project for and as at the end of the financial year ended on December 31, 2025.

This responsibility includes (i) maintaining adequate financial management arrangement and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the project, (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statement, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) safeguarding the assets of the project, (v) selecting and applying appropriate accounting policies and (v) making accounting estimates that are reasonable in the circumstances.

The PFMU and the Project Coordinator for AfDB – Mano River Union Road Development and Transport Facility Programme-Phase II project accept responsibility for the Project's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards.

The PFMU and the Project Coordinator for AfDB – Mano River Union Road Development and Transport Facility Programme-Phase II project are of the opinion that the Project's financial statements give a true and fair view of the state of Project's transactions during the financial year ended December 31, 2025, and of the Project's financial position as at that date. The PFMU and the Project Coordinator for AfDB – Mano River Union Road Development and Transport Facility Programme-Phase II project further confirm the completeness of the accounting records maintained for the Project, which have been relied upon in the preparation of the Project financial statements as well as the adequacy of the systems of internal financial control.

The PFMU and the Project Coordinator for AfDB – Mano River Union Road Development and Transport Facility Programme-Phase II project confirm that the Project has complied fully with applicable Government Regulations and the terms of external financing covenants, and that Project funds received during the financial year under audit were used for the eligible purposes for which they were intended and were properly accounted for.

Approval of the Project Financial Statements

The Project financial statements were approved by the Project Financial management Unit and the Project Coordinator for AfDB – Mano River Union Road Development and Transport Facility Programme-Phase II project on February 24th, 2026

NOTES TO FINANCIAL STATEMENTS

6

1. Background and Information of the Project

With support from the African Development Bank (AfDB); the MRU/RDFT Phase II - programme is to provide efficient road transport access to the South East and West counties of Libeia and the Western part of Cote d'Ivoire. The MRU/RDFT Phase II project was approved by the African Development Bank on **July 9, 2020** with a grant amount of **USD 87.8696 Million**. The aims of the project are:

1. Road Development and mitigation of negative environmental impacts

- a. Road works. Construction of approximately sixty-seven kilometers of road to be undertaken as follows:-
 - i. upgrading approximately (a) 47.1 kilometers of gravel road to asphaltic concrete from Sanniquellie - Loguatu on the Recipient's side to the border town of Gbeunta in Cote d'Ivoire; and (b) approximately twenty(20) Kilometers of gravel road to asphaltic concrete from Fish Town to Kelipo in Liberia; and
 - ii. Construction of the bridge at Loguatu / Gbeunta Border.
- b. Implementation of the Programme ESMP and the RAP; and
- c. Civil works control and supervision for road and designs and supervision for the border Post civil works.

2. Social Infrastructure measures and institutional support: This component will include the following activities;

- a. Construction of two (2) road side markets, three (3) separated toilets and three (3) boreholes along the Sanniquellie Loguatu road section;
- b. Carrying out activities to sensitize the communities and workers in the Programme areas, on inter alia HIV/AIDS, malaria, gender empowerment, sexual and reproductive health rights (SRHR) and road safety;
- c. Undertaking a study on the urban mobility improvement in Monrovia; and
- d. Providing professional courses and training for sector engineers and the PIU.

3. Transport and Trade Facilitation: This component will include the following activities;

- a. Undertaking a study to examine the border procedures, processes and capacities of border authorities along the corridor, as part of the preparatory work required prior to the construction of the One-Stop Border post;
- b. Raising awareness of road users and border control officers on interstate road transport facilitation measures;
- c. Construction and equipment of one (1) stop Joint Border post and weighbridge or toll stations and health control posts between Cote d'Ivoire and Liberia at Loguatu/Gbeunta border post;
- d. Transport and trade facilitation soft aspects: implementation of a simplified trade regime for small scale cross border traders, construction of border markets and raising awareness for traders and border authorities on issues such as coordinated border management; and

- e. Coordination of the regional component of the programme by the Recipient and the Republic of Cote d'Ivoire.

4. **Project Management:** This component will include the following activities:
 - a. Undertaking socio- economic impact monitoring and evaluation (M& E) of the Programme;
 - b. Carrying out financial and accounting audit as well as Technical and Road Safety Audit of the Programme;
 - c. Provision of support to the accountant at the Programme Financial Management Unit (PFMU) at the Ministry of Finance and Development Planning and the Programme Procurement Officer;
 - d. Developing and ensuring implementation and compliance with the visibility and communication plan;
 - e. Developing and ensuring implementation and compliance with the visibility and communication plan;
 - f. Ensuring compliance with the Environmental, Social and Gender safeguards;
 - g. Ensuring regional coordination of the Transport Facilitation component; and
 - h. Provision of material and logistical support to the Executing Agency

2. Use of Grant Proceeds

The table below sets out the categories of items to be financed out of the grant proceeds, the allocation of the amounts of the grant to each category and the percentage of expenditures for items to be financed in each category:

of Category financed	Amount of grant allocated	%
	expressed in US\$	expenditure to be
Road Dev't & Mitigation of negative environmental impacts	70,900,600	100
Social Infrastructure measures and institutional support	1,377,400	100
Transport and Trade Facilitation	4,260,000	100
Project Management	11,331,600	100
Total	87,869,600 =====	

All categories of expenditure shown in these financial statements are fully financed based on the percentage below:

	% of Expenditure
AfDB	100
Total	100
	=====

3. Significant Accounting Policies

Basis of accounting

The financial statements have been prepared in accordance with the Cash Basis International Public Sector Accounting Standards (IPSAS) as adopted by the Government of Liberia and in the manner required by the Project Agreement as required by the African Development Bank Policies and Procedures and PFMU's Financial Management manual.

Reporting currency

Financial reports have been presented in United States Dollars. Transactions denominated in other currencies are translated into United States Dollars and recorded at the rate of exchange ruling at the date of transactions. Balances denominated in other currencies are translated into United States Dollars at the rate of exchange prevailing on the reporting date.

Loan and Grant Receipts

Loan and Grant from donors for the MRU/RDTF Phase II project is recognized and reported in the Statement of Receipt and Payment as income when received and held in a bank account called Special income account for disbursement purposes. All payments for the MRU/RDTF Phase II project and activities are made from the special account.

Cash and bank balances

Cash consist of cash in hand and balance at bank.

Recognition of expenditure

All expenditures are expensed whether they are revenue or capital in nature and income is recognized when funds are received from the African Development Bank.

Tax

The project is 100 percent exclusive of tax.
