TRANSMITTAL LETTER

THE HONORABLE SPEAKER OF THE HOUSE OF REPRESENTATIVES AND THE PRESIDENT PRO-TEMPORE OF THE HOUSE OF SENATE

We have undertaken the audit of the Bomi County Community College (BCCC) financial statements for the financial year ended June 30, 2021. The audit was conducted under the Auditor General's statutory mandate, as provided for under section 2.1.3 of the GAC Act of 2014.

Findings conveyed in this report have been formally communicated to the Management of the Bomi County Community College (BCCC). Where responses have been provided by the Management on the audit findings, these have been evaluated and incorporated in this report.

Given the significance of the matters raised in this report, we urge the Hon. Speaker and the members of the House of Representatives and Hon. Pro-Tempore and members of the Liberian Senate to consider the implementation of the recommendations conveyed herein with urgency.

AUDITOR GENERAL'S REPORT ON THE FINANCIAL STATEMENT AUDIT BOMI COUNTY COMMUNITY COLLEGE (BCCC) FOR THE FISCAL YEAR ENDED JUNE 30, 2021

Adverse Opinion

We have audited the accompanying financial statements of the Bomi County Community College (BCCC) for the period July 1, 2020 to June 30 2021. These financial statements comprise the statement of Receipts and Payments, Statement of Comparison of budget and actual amounts, statement of financial position for the year then ended, and a summary of significant accounting Policies and other explanatory information.

Because of the significance of the matters described in the Basis for adverse opinion paragraph the financial statements, in our opinion, the financial statements do not present fairly, in all material respects, the Statement of Cash Receipts and Payments, the Statement of Comparison of Budget and Actual Amounts and a summary of significant accounting policies and other explanatory information for the year then ended in accordance with International Public Sector Accounting Standards (IPSAS) Cash Basis of Accounting.

Basis for Adverse Opinion

During our audit of the financial statements of Bomi County Community College (BCCC) for the fiscal year ending June 30 2021, we identified several significant issues that have led to our adverse opinion:

- The financial statements did not contain explanatory notes for material differences between budget and actual amounts as required by the IPSAS Cash Basis Accounting financial reporting framework.
- Management made expenditures amounting to US\$535,732.25 without maintaining detailed ledgers.
- Management procured supplies and consumables amounting to US\$18,355.35 and L\$ 2,376,125.00 without adequate documentations.

The above issues have a pervasive impact on the financial statements, causing material misstatements and raising concerns about the accuracy and reliability of the reported financial position and performance for the period then ended June 30, 2020.

We conducted our audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of The Bomi County Community College in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (IPSAS) Cash Basis of Accounting, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing its ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so. The BCCC Management is responsible for overseeing the Entity's financial reporting process.

Auditor General's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

STATEMENT OF RESPONSIBILITIES

The Statement of Receipts and Payments have been prepared in accordance with the provisions of the Public Financial Management Act of 2009 and in compliance with the Cash Basis International Public Sector Accounting Standards (Cash IPSAS), adopted by the Government of Liberia.

In accordance with the provisions of the Public Financial Management (PFM) Act of 2009, I am responsible for the control of and accounting for public funds received, held, and expended for and on behalf of the Bomi Community College.

Under the provisions of the same Act, I am required to prepare unaudited Final Account of the Bomi Community College to be submitted to the Ministry of Finance and Development Planning. However, I have delegated the preparation of the unaudited Final Account to the Comptroller for my transmittal to the Minister, as provided in the attendant Regulations of the Public Financial Management Act of 2009. Accordingly, I am pleased to submit the required Yearly Public Account of the Bomi Community College in compliance with the PFM Act and its attendant Regulations. I have provided, and will continue to provide, all information and explanations as may be required in connection with the financial statements presented therein.

In preparing these Financial Statements, the most appropriate accounting policies have been consistently applied and supported by reasonable and prudent judgment and estimates. To the best of my knowledge and belief, these Financial Statements agree with the books of accounts, which have been properly kept.

I accept responsibility for the integrity of these financial statements, the financial information they contain and their compliance with the provisions of the Public Financial Management (PFM) Act of 2009.

Mr. Samuel M. Dunbar
Acting President
Bomi Community College

NOTES OF EXPLANATIONS AND ELABORATION RELATING TO THE FINANCIAL STATEMENTS

The numbered notes that follow relate directly to the content of the Financial Statements above and are numbered accordingly.

1. General Information – Reporting Entity

The financial statements are for Bomi Community College, a public sector entity of the Government of Liberia. The financial statements encompass the reporting entity as specified in the relevant Legislation (Public Finance Act 2012). The mandate of the Bomi Community College is to ensure access to quality, free and compulsory education and to provide educational opportunities which will enable people for better livelihood or tertiary education.

The Financial Statements presented above reflect the Cash Receipts and Payments of the Bomi Community College for the period ended 30th June 2021 on the basis of moneys received by, held in or paid out by the Bomi Community College during the year under review. The Entity controls its own bank accounts. Appropriations and other cash receipts are deposited into its bank accounts, from which cash expenditures are administered upon presentation of appropriate documentation and authorization.

The principal address of the reporting entity is Fatoma Compound Tubmanburg, Bomi Country, Liberia.

2. Accounting Policies

These are the specific principles, bases, conventions, rules and practices adopted by the Government of the Republic of Liberia in preparing and presenting the financial statements. The principal accounting policies adopted in the preparation of the financial statements therein are set out below.

(a) Basis of preparation

The financial statements have been prepared in accordance with the requirements of the Public Financial Management Act, 2009 and comply with the Cash Basis International Public Sector Accounting Standard (Cash Basis IPSAS); Financial Reporting under the Cash Basis of Accounting. The measurement basis applied is the historical cost basis, except where otherwise stated in the accounting policies below. The accounting policies adopted have been consistently used throughout.

(b) Reporting currency

The Republic of Liberia operates a dual currency regime comprising the Liberian Dollar (LD) and the United States Dollar (USD) both of which are legal tenders. The attendant Financial Regulations to the PFM Act of 2009 states that:

"the monetary unit of Liberia for all government agency accounting and financial reporting shall be the Liberian Dollar. The United States Dollar may also be used for financial reporting purposes, but the Liberian Dollar is the base currency."

Hence, for the purpose of the Financial Statements being submitted, the United States Dollar is used as the reporting currencies, which is permitted under the attendant Financial Regulations to the PFM Act of 2009 and adopted by the Government of Liberia as its reporting currency.

(i) Translation of transactions in foreign currency

Foreign currency translations and transactions in Liberia Dollar and other foreign currencies are translated into United States Dollar using the exchange rates prevailing at the dates of the transactions. Closing monetary balances are translated into the reporting currency using the closing rates. Foreign exchange gains and losses resulting from settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of financial performance.

The year-end (31st December 2021) exchange rate for the Liberian Dollar was LD\$170.70 per US\$.

(c) Reporting Period

The reporting period for these financial statements is the financial year of the Government of Liberia, which runs from 1st July 2021 to the 31st December 2021.

(d) Receipts

Receipts represent cash received by Bomi Community College during the period under review, comprising Authorized allocations/appropriations and other receipts. Receipts are recognized as follows:

(i) Authorized Allocations/Appropriations

Authorized Allocations from the Government of Liberia are recognized when they are received and under the control of the Bomi Community College.

(ii) Other Receipts

Other Receipts are fees collected from students and proceed from sales of designated services by the Bomi Community College. Sales of goods and services are recognized in the period in which the payment for the goods and services are received and not necessarily when the service is rendered.

(iii) Expenses

In general, all expenses are recognized in the financial statements when paid for.

(iv) Property, Plant and Equipment (Physical assets of fixed assets)

Property, plant and equipment principally comprises land, buildings, plant, vehicles, equipment, and any other capital assets controlled by the Bomi Community College. Under the Government of Liberia Cash Basis of Accounting, purchase of property, plant and equipment are expensed fully in the year of purchase.

(e) Employee benefits

Employee benefits include salaries, wages, pensions and other related employment costs. Employee benefits are recognized when they are paid. No provision is made for accrued leave.
