AUDITOR GENERAL'S REPORT ON THE MINISTRY OF INFORMATION, CULTURAL AFFAIRS AND TOURISM (MICAT) FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED JUNE 30, 2019

Adverse Opinion

We have audited the financial statements of the Ministry of Information, Cultural Affairs and Tourism for the fiscal period ended June 30, 2019 which comprise the statement of cash receipts and payments, statement of comparison of budget and actual amount and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, because of the significance of the matters discussed in the Basis for Adverse Opinion section of our report, the accompanying financial statements do not give a true and fair view of the Ministry of Information, Cultural Affairs and Tourism (MICAT) for the fiscal period ended June 30, 2019, and of its statement of receipts and payments, Statement of Comparison of Budget and Actual amount and summary of accounting policies and other explanatory notes in accordance with the International Public Sector Accounting Standards (IPSAS) Cash Basis Accounting.

Basis for Opinion

Management did not disclose LINA receipts amounting to US\$322,181.64 and L\$10,899,944.16 in the notes to the financial statements.

Additionally, there was no evidence of supporting documents for LINA's receipt not disclosed in the financial statements.

Management did not disclose LINA's expenditures amounting to US\$322,100 and L\$10,911,005 in its financial statements for the audit period.

Management disbursed US\$524,752 and L\$25,620,706 in operational expenses, media relations and intelligence and other payments without adequate supporting documents.

We conducted our audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Ministry of Information, Cultural Affairs and Tourism (MICAT) in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities

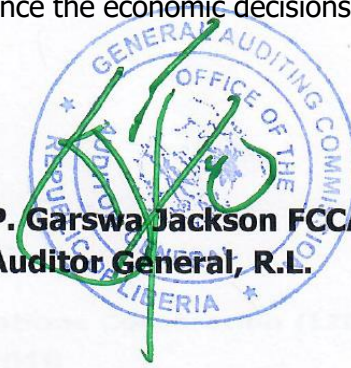

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Public Sector Accounting Standards (IPSAS), financial reporting under the Cash Basis of Accounting, and for such internal control as management determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the institution's ability to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless management either intends to liquidate the institution or to cease operations, or has no realistic alternative but to do so.

The Ministry of Information, Cultural Affairs and Tourism (MICAT) is responsible for overseeing the financial reporting process.

Auditor's Responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
